Assessor Comments	Nice line of Dohne ewes with Texel cross lambs at foot. These ewes were bought in with the intention of breeding a good, crossbred lamb with the Dohne Texel cross. Circumstances have changed for the vendor and as a result they now present an opportunity for the next owner to reap the benefits, with lambs on the ground and 8 months of wool on the back of the ewe. All the Hard work is done! roughly 90% lambs at foot.
