Assessor Comments	Baldina Station are well renowned for breeding top quality Old Ashrose blood sheep. Here is a chance to secure a neat 4 deck load of 2022 drop ewes that will grow into large frame heavy wool cutting ewes. Due to ongoing dry conditions the decision has been made to sell these ewes which would normally be either retained by the station or sold in the Spring. All efforts have been made to grow these ewes out in what has been a prolonged dry period, and the successful bidder will be pleased with what these ewes will grow in to.
