Assessor Comments	47 VGQ Vendor Bred Crossbred Weaner Heifers. They Exhibit Good Bone, Length, Depth and Frame for their breed and age. These Heifers are ideally suited to retain as future breeders or grow out to Feeder or Slaughter Weights. Vendor has not retained any Heifers to keep so this is the entire drop. They have good feet, are quiet & majority are tidy around the head. They have been educated in & out of the yards & are currently running in a large holding paddock so they are paddock prepared for purchaser. There is 1 Brindle Heifer in the mob. The Grove has Prickly Acacia however it is not in seed. PCAS Eligible. *These Heifers require more than 1 deck for transport.*
