Assessor Comments	Buyers on offer are 2 decks of VGQ Angus, Black Simmental, Sim/Angus cross weaned steers. Steers show very good muscling and come with plenty of length, depth and softness. Steers were weaned on the 18-04-2024 and are very well handled and educated. Steers are ideal to take through to heavy feeder weight or take through to kill weight at a young age suiting all domestic/exports markets. Steers are sought after by previous purchases and have a good reputation on crop or in the feedlot and come recommended. *Please note vendor has heifers in same sale*.
