Assessor Comments	Buyers on offer are 33 GQ Angus, Black Simmental, Sim/Angus cross weaned heifers. Heifers show very good muscling and come with plenty of length, depth and softness whilst still showing good femininity. Heifers were weaned on the 18-04-2024 and are very well handled and educated. Heifers are ideal to retain as a good line of future breeders and would be suitable to join to a bull of your choice come spring. Heifers could also be taken through to heavy feeder weight or take through to kill weight at a young age suiting all domestic/exports markets. Heifers are sought after by previous purchases and have a good reputation on crop or in the feedlot and come recommended. *Please note vendor has steers in same sale*.
