|                    | STEERS WERE EXCELLENT TO HANDLE IN YARDS AND CRUSH                                                                                                                                                                                                                                                                                                                                           |                                 |                                     |
| Handled With       | Bikes , Dogs , On foot , Vehicles                                                                                                                                                                                                                                                                                                                                                            |                                 |                                     |
| Assessor Comments  | STEERS ARE VERY GOOD QUALITY, TREMENDOUS LENGTH AND DEPTH IN THESE CALVES. THEY WERE VERY QUIET TO HANDLE IN YARDS AND CRUSH. THESE STEERS HAVE A GREAT REPUTATION OF GROWING OUT WELL AND WOULD BE IDEAL TO GROW OUT ON OATS CROP. VENDOR HAS ANOTHER LOT IN SALE                                                                                                                           |                                 |                                     |
