Assessor Comments	***EU*** Annual draft of Angus & Angus cross steers ideal to feed on with either grass or grain. Sired by Wattletop Stud Angus bull bred from Angus, Angus x Hereford cows. Cattle have performed well on native pastures with a considerable compensatory gain available given the right opportunity. Steers stand on good bone and present buyers with a class article to take onto either heavy kill weights or directly to feeder markets. Treated at assessment with Bovi-Shield MH-One - 03.06.24. Previous drafts of these steers have been purchased by major NSW & Qld feedlots.
