steers worked well through the yards. The odd steer was slightly stirry during weighing but quickly settled down once back in the mob.

Handled With

Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments

A very good quality line of EU Angus steers. Tops of the drop with a tail drafted off them. Lovely steers that were weaned

properly, educated with dogs and would go forward quickly given the opportunity. Please note the were 8 steers noted to have an old pink eye scar in one eye and some ring worm present. Proven performers in the feedlots and in the paddock, well worth your consideration.
