Assessor Comments

Stewartdale Pty Ltd the complete drop of EU future breeder heifers with a small tail removed. These heifers are only for sale due to the continued dry seasonal conditions experienced in the south east at present. All heifers are sired by Woonallee SimAngus and come from a base of Stoney point angus cows. Heifers show good weight for age considering season and are ideal to take the bull of your choice or alternatively ideal to take on to heavier weights for a rebounding cattle market heading into winter/spring.
