Handled With

Very quite well-handled steers that have benefited from early weaning handling

Bikes , Dogs , On foot , Vehicles

Assessor Comments

A neat line of Angus and Angus influence steers. Very fresh and well weaned steers that handle amazingly these calve have been worked in the yards with kids under 10! From first calving heifers these steers have been set up well to go on and do. Have confidence that these calves have adjusted guts and are ready . 1 baldy steer and 3 steers showing faint blue roan.
