	Cows were easy going and were easy to handle in and around the yards.		
Handled With	Bikes , Dogs , Horses		
Notable Traits	Traits 2 Head Old pink eye scarring in one eye 4 Head White markings around udder region		
Assessor Comments	A very good Quality line of Young Angus females that are a testament to the great angus breed, large framed proven breeders that have bloodlines to match. Only being surplus to requirements see's an opportunity for some one else to take advantage of such good breeding attributes these females have to offer. Bloodlines that include Speriby North and Dulverton Angus. Frame is a stand out with these cows and their temperament was Great. Cows have been joined to high marbling Rennylea Angus bulls for a 8 week joining, calving expected to commence from mid to late August onwards. A great chance to secure a line of well bred cows that have age on their side, no sleepless nights all the hard work has been done.
