Assessor Comments	A top quality line of young PTIC Cows with all their productive lives ahead of them. The cows have recently weaned heavy quality calves and present a great opportunity to secure a well bred line of cows in calf to BOORAGUL & ISLA Angus bulls. Cows show plenty of shape and style so bid up and buy with utmost confidence on this quality offering. Please note these cows are a "Run out the gate" assessment and all endeavours will be taken to ensure two even lines are delivered.
