Assessor Comments	DR & CJ Gibson will offer a neat line of 11 x 11 station mated heifers with calves at foot. These 'Murdeduke' & 'Toora West' Angus blood heifers are doing a great job raising their 'Mountainview' Angus progeny. These young breeders have been rejoined back to the 'Mountainview' sire (Landfall & Millah Murrah based) on the 20th May until delivery. Vendor is willing to sell bull with the units. One white udder. Two heifers observed to have somewhat of a more 'curly' cattle coat, images attached.
