Assessor Comments	Buyers a very good line up of weaned Vendor bred Angus X Steers that have had all the work done and are ready to go on with. These Steers are exceptionally bred being out of a very good Angus Cow herd and being all by Texas Angus and Talbalba Hereford Bulls. All Steers tremendous length and depth of body and if given the opportunity with good feed quality these Steers will perform well from previous history. The Vendors presented a sample of last years Steers into the “2024 Wandoan Beef Bonanza Carcase Competition” with last years Steers winning 1st place for individual weight gain, 1st place for highest MSA Index, 2nd place for highest \$ value add, 3rd place for pen of 3 aggregate weight gain. Buyers bid with confidence these are an exceptional line of Steers. Same vendor is offering 100 Angus Steers and also 165 Hereford Steers.
