Assessor Comments

40 vendor bred **EU** Angus & Angus / Shorthorn steers. At assessment steers had a liveweight range of 285kg to 340kg to average 315kg. These steers would normally be retained & grown into feeder weights but due to season are being offered for sale. Steers have been yard weaned & were a pleasure to move around the yards & through crush. Please note: 2 steers with ring worm scar around eyes & 2 steers with white on purse.
