| Assessor Comments | 64 Angus x Angus weaned steers, here is a neat 2 deck lot of Angus steers that have weighed 281kg average after a one-hour curfew, these steers range from 240kg through to 323kg and present in fresh forward condition. These steers have been backgrounding on fresh sub-tropical grasses for the past 4/5 weeks and have just seen the start of this season's oats crop, whilst also receiving a light silage & cotton seed supplementary ration. These steers are Grass Fed & Antibiotic free and are up to date with there animal health including there first MH + IBR shot. These steers are the right article to further on winter crop for feeder markets into the back end on of this year or domestic kill markets. |
