Assessor Comments	Breed or feed, top quality vendor bred Angus heifers. These heifers represent the lead draft of the Rosewood Autumn 2023 drop, with no heifers retained. Heifers are just starting to really move forward, drenched/vaccinated and being on oats with supplement straw the last 3 weeks. The temperament of these heifers is a feature and would be an asset to any breeding operation. Crossbred sisters are in the same sale to make up 2 decks. Tail removed.
