Assessor Comments	Breed or feed, top quality vendor bred Angus cross heifers. Heifers are sired by Booroomooka and Coolie Angus bulls out of crosssbred cows. These heifers represent the lead draft of the Rosewood Autumn 2023 drop, with no heifers retained. Heifers are just starting to really move forward, drenched/vaccinated and being on oats with supplement straw the last 3 weeks. The temperament of these heifers is a feature and would be an asset to any breeding operation. Angus sisters are in the same sale to make up 2 decks. Heifers are bang tailed to assist with drafting. 3 heifers with slight red tinge in coat assessed as Shorthorn cross. Tail removed.
