Assessor Comments 82 Angus Feeder Steers. Buyers a very neat even line of vendor bred feeders. Based on Adrossan and Crosby Angus Bloodlines, these steers are out of a highly regard Central Tablelands cow herd! Steers with very good frame, stretch and

	depth of body, weighed out from 358-498kg. With a very good reputation on both grass and grain these steers will continue to grow into ideal heavy mid or long fed steers. Steers that won't disappoint!
