Nice quiet cattle to handle even with strangers. A couple of heifers just got a little twitchy waiting to go onto the scale, but all weighed very easily once on the platform.

Handled With	On foot
Assessor Comments	A well bred small group of heifers that would suit a small holder down to the ground, or someone looking to start a Square Meater herd. Equally, these heifers would add favourably to an existing herd, or feed on as good solid trade bodies. The heifers have weaned very well, and are ready to go on to whichever job the successful buyer has in mind.
