The heifers were generally quiet and easy to handle in an excellent set of yards. During assessment there was 1 heifer that did push in the race and move about on the scales. Once released the heifer was calm and relaxed.

Assessor Comments	The Boardman family offer a small consignment of well bred Angus heifers. Vendor bred, weaned, grass assured, with plenty of health treatments. Heifers were sired by Orlanga Angus bulls, presenting in genuine store condition. Please Note There were 2 heifers that had a very minor blue eye, not considered active pink eye.
