Assessor Comments: Vendor bred poll Hereford steers with years of Wirruna Poll Hereford genetics invested into the herd. Presenting in ideal feeder condition having the frame with minimal fat cover offering immediate compensatory weight gains given quality feed. They are 100% grass fed and antibiotic free and Greenhams Never Ever accredited. These steers are typically fattened to kill weights and are only being offered for an early sale due to the tight start to the season. Benambra Pastoral was awarded MSA's Top 100 Producer 2023 (refer photo) for previous progeny sold to slaughter in 2021-2023. A true testament to the performance of the genetics invested into the herd.
