Assessor Comments	67 top quality Angus Heifers Acc. Newman Biotech "Willow Park" - Bowna. August/September 2023 drop. These Heifers are the 2nd draft of 114 one mark heifers offered in this sale. The above heifers are bred out of "Willow Park" Angus cows which principally are from a Rennylea genetic base with Rennylea, Mundarlo Angus & Hicks Beef bulls used. Yard weaned 24/3/24 - Vendor has a strong emphasis on low stress stock handling & yard training weaners which is evident as these heifers were a pleasure to draft & manoeuvre throughout yards whilst assessing. Here presents an opportunity for perspective purchasers to put together very good quality quiet heifers that are pure frame & carrying no excess condition, shown the correct rise of nutrition will see these heifers have strong compensatory weight gains in the foreseeable future. Note same vendor has one more lot of 47 heifers offered in this sale. July 2024 payment terms available, conditions apply.
