Assessor Comments	Tops of the Spring drop of 32 accredited Angus Steers from the Murra Angus stud, WALWA. The steers have great shape bone and length for age they will grow on. With years of Angus breeding coming out with the infusion over the years Stud RAFF and strong Murra Bloodlines adding genetics to the quality offering. With maximum weight gain in the future these Steers will preform. The Steers have been yard weaned and will running on fresh rye grass and clover to keep them moving forwards. NOTE GREENHAMS ACCREDITED AND GRASS FED DOCS, IMMUNE READY IF REQUIRED THESE STEERS COME WITH MY HIGHEST RECOMMENDATION AND WILL BE VERY NICE FEEDERS!! NOTE SMALLER BROTHERS IN SALE
