Assessor Comments

Outstanding run of spring drop calves as good as you'd find anywhere in Australia. Heavy boned, deep, soft steers with excellent shape and definition. Bred impeccably, these cattle will take your eye at first glance. Massive conversion ability and huge weight for age figures. Cattle have been managed meticulously, as a result have outstanding temperament and are well educated to work with. Vendor selling entire run of spring drop steers due to seasonal conditions. They carry reputation from previous years drops of outstanding performance both in backgrounding or feedlot environments. Steers are grass fed only, antibiotic free. These steers carry my highest recommendations and will continue to perform to the highest level in the right environment. Please 2 steers have thrown red. Please note vendor has an additional lots in this sale.
