| Assessor Comments             | * Part Herd Dispersal * 11 - EU Accredited Vendor bred Euro infused Cows with 11 Angus Sired Calves @ foot. Cows are mixed ages, presenting in healthy forward store condition. Male calves have been marked. Calves present in healthy fresh condition. Sale represents a part herd dispersal of the Euro Cross Cows from the Nuandle Cow Herd, total offering of 230 Females. Cows are tagged with Management ear tags, not colour indicative to year drop/age. Ages of cows can be established by the location & number of notches in the near side ear relative to the year born. 5% of cows were noted to have old blue eye scarring. Sale of cows presents an opportunity to purchase genuine line of vendor bred breeding females with an established calf at foot. Note Vendor has another 17 heifers & calves in same sale. |                            |                             |         |
