Very well educated & manganged females, these cows were a pleasure to handle & assess

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Elite Angus genetics, a rare and unique opportunity to access PTIC females directly from one of Australia's leading angus seedstock herds. HBR Stud cows that were classed into the Rennylea Stud Herd. Only being sold due to being later calving than the strict calving window that the Rennylea herd are committed to. These cows are being sold commercially with a realistic reserve. They are available for Stud transfer provided they make $4000. If the cows make less they still can be transferred if the successful purchaser pays the difference from the sale price up to the transfer figure. Please call agent or vendor to discuss further if needing any more information or clarity. Breeding, EBVs & joining sire details are attached in documents. . IMF Av of this group +3.2 (top 26% of breed). 75 cows for sale over 8 lots.
