Assessor Comments	A good quality run of Hazeldean blood Angus heifers joined to LBW Hazeldean Angus bull. Heifers present in forward condition and are displaying good weight for age. Ideal mob to start a quality Angus herd with or a welcome addition to any beef enterprise. Heifers were joined for 34 days to start calving early Sept. Well handled cattle that will take little maintenance until calving. Please note: Agent can arrange freight to Riverina with weekly market truck to Wagga.
