Assessor Comments	These medium framed, structurally sound angus cows are offered for sale due to no fault of their own. They have successfully raised heavy weight calves year in year out. Proven breeders, and are only for sale due a spring calving herd dispersal. Preg tested in calf to GAR HOMETOWN. Hometown is the current number two sire for Angus Registrations, he maximises carcass premiums while maintaining calving ease and phenotype, Making his progeny perfect for grass or grain programs. These cows are ideal as a foundation herd, or to ad to your existing herd.
