Assessor Comments	These medium framed, structurally sound Baldy cows are offered for sale due to no fault of their own. They have successfully raised heavy weight weaner calves year in year out. Proven breeders, and are only for sale due to a change from a Spring to Autumn calving herd. Preg tested in calf to GAR Hometown. Hometown is the current number 2 sire for angus registrations, he maximises carcass premiums while maintaining calving ease and phenotype. This small line of proven breeders is suitable for anyone wanting to ad to an existing herd or to start a small herd with confidence of future production.
