Quiet cattle that were a pleasure to work through the draft and were very respectful of their surrounds and of the handlers.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A very appealing line young females that present in strong forward condition. These females present with frame and ample bone and would appear to have the breeding to mature into a quality medium to large framed matron in your herd. All pregnancy tested in calf and visually showing signs of carrying a calf with all beginning to soften down. This line of heifers will be delivered as a run out the gate from the group of 122 head and will represent half of the assessed group. #Note the line of 122 head has 6 heifers with white udders and 3 heifers with white bellies. *The vendor has 5 lots of joined heifers on offer in this catalogue .
