Assessor Comments	Angus/Angus Cross Heifer weaners on offer. These heifers are very well bred and exceptionally quiet for the handling they have had. They show good characteristics to grow into future breeders or also suit a flatback/black feeder backgrounding program. They were purchased ex Quigley family near Trangie as Cows & Calves, and have had a very good season have growing well without a setback. They have been sired by Angus Bulls by Angus & Angus X Cows. The steers and cows are also for sale on Auctions Plus.
