Assessor Comments	Buyers. This is a top quality line of soft Hereford heifers that are extremely quiet to handle averaging 257kg. These heifers show great breed type with depth of flank, natural thickness and femininity. Heifers have great length of body that ooze softness and volume. Heifers are out of large frame good quality Hereford cows by Wararba Park Hereford sire. Heifers we're extremely quiet to handle in yards and paddock. These heifers would make great future breeders. Vendor has heifer line in same sale.
