Assessor Comments Angus cross portion of the draft, they are in good forward store condition. These weaners were taken off the cow the day before assessment and will be kept and handled in the yards until delivery. They are good soft cattle and would be ideal to be backgrounded up to heavier weights and would be suitable for a wide range of feedlot markets. Small percentage Droughtmaster cross all still flatback. (Please note vendor has 3 other lots in the same sale).
