Steers worked well through the yards after very little handling from only being weaned one week. Steers would benefit from additional time yarded and worked.

Assessor Comments	Gilliland Livestock Marketing offers a small line of Red Brangus steers. Steers present in forward store condition after being weaned of the cows and onto barley hay and were weighed to average 247kg at assessment. Vendor prides themselves on producing good quality cattle with plenty of bone and growth and these steers tick those boxes. Ideal steers to grow out into heavy feeder or pasture steers. An even line of good quality steers, not to be missed.
