Assessor Comments	Gilliland Livestock Marketing offers a neat run of 30 predominately Charolais cross backgrounder heifers. Heifers present in store condition with a large frame to average 224 Kg at assesment. An even line of euro cross heifers that will suit a large variety of markets as feeder or breeder cattle in the future. Heifers have been well handled by the vendor with dogs and horses which makes them an ideal article to go straight onto crop or good feed with all the hard work been done already. Please don't miss this line of heifers.
