These weaners walked in to the yards well, they where quick to handle while freshly drafted off however will have a good few days being tailed out and handled and I'd expect them to be nice and calm by delivery.

Assessor Comments	Local buyers to Walgett here's a great opportunity to buy a body load of real good well handled genuine crossbred backgrounders. These steers have had a great season and grown very well since branding in February. These steers exhibit good bone, frame and constitution. These steers will suit both trade and export feeder and slaughter markets.
