Assessor Comments	A really nice line of predominately Angus x Flat back composite steer weaners. Ideally suited to take onto export feeder weights or bullocks. Majority of steers would also make domestic feeders. 2 steers with slight brindle in the coat. Steers were yard weaned 5 weeks ago. Very neat around the head and have been very well handled. Please note delivery period, 24th/25th June. Vendor has 74 Heifers also in todays sale.
