Assessor Comments	A Quality line of well breed Wagyu x Angus mixed sex weaners that have the breeding behind them to preform . The back ground of there genetics is landfall angus females which where purchased out of the south by jacks creek and join to there selected wagyu bulls, Point Pastoral then purchased the females for their breeding herd with these being the first progeny from them which have been weaned properly and are definitely on the do as they have been running on improved pastures then oats .
