Assessor Comments	These Poll Hereford heifers present as a well-managed group of well bred Heifers that are surplus to needs. These heifers were very well yard-weaned, resulting in a great temperament that are easy to handle. Having been under careful handling since weaning in April, they've been running on Oat Crop with ad lib straw. The vendor has years of quality breeding which is shown in these cattle and are mainly Wirruna Poll Hereford Blood. These Heifers will continue to grow out to make future breeders given the opportunity. Please note vendor has other lots in same sale.
