Assessor Comments These Poll Hereford steers present as a well-managed group of well bred steers. These steers were very well yard

	weaned, resulting in a great temperament that are easy to handle. Having been under careful handling since weaning in April, they've been running on Oat Crop with ad lib straw. The vendor has years of quality breeding which is shown in these cattle and are mainly Wirruna Poll Hereford Blood. These Steers will continue to grow out to suit both feeder and heavier kill markets. Please note vendor has other lots in same sale.
