Assessor Comments	TOPS OF THE DROP Angus Heifers !! Excellent opportunity to purchase the lead draft of heifers bred on Wongalee out of volume females with many decades of Glenruben Angus breeding utilising the lead sires of the Glenruben bull selection process annually. No heifers retained this year which gives purchasers an opportunity to vamp up their breeding program with some excellent genetics from the top end of this herd and put in to your program as future breeders. Heifers have been properly yard weaned and educated and flowed through the yards and assessment process with ease. PCAS Grassfed Assured declaration available at buyers request.
