Assessor Comments	Very good quality line of late spring calving 3 & 4 yo cows that are of good medium frame with a small percentage large frame cows through out. Cows are running in hilly country and should perform in most areas given the opportunity. Cows have all successfully reared a calf and have been running continuously with good quality Angus bulls. Ideal line of cows to calve and trade in the spring. 59 Blue tags and 3 Red tags. 4 cows with blue spot in eye.
