Assessor Comments	23 PTIC 9yr old Cows in great shape for mid August calf to Scotts Angus bulls. These cows are part of a herd reduction due to the sale of property in Tasmania. Calves pulled of them 4 weeks ago and trucked to wagga and stand up very well on their feet. Cows where purchased ex Tasmania as classed in breeders. 10 of the 23 cows were mouthed, with good solid sound mouths & little to no signs of wear. Great opportunity for a trade with plenty of room in these cows. Vendor has 3 other lots in same sale.
