Assessor Comments

Offering on behalf of Rachel O'Keeffe - herd dispersal consisting of 35 cows and 42 weaners in their respective lots in today's sale. These cattle were residing in SW Vic and trucked to Holbrook for agistment earlier this year. Due to a late start to the season they are being offered for sale. This line represents 23 Speckle Park cows PTIC to JAD Smarty Jones (S142) and Jackungah Sacrifice (S10) due to commencing calving late September for 8 weeks. They currently have weaners on them that will be weaned at delivery. 17 cows were purchased as F1-F3 Speckle Park/Angus cross heifers from JAD Speckle Park Stud in their 2019, 2021 and 2022 production sale. They comprise of 7 head rising 7 years, 5 head rising 5 years with the balance rising 4 years old. They are medium to large framed and will respond quickly to a change in diet. They are quiet, in the prime of their life and doing a great job on their calves in tough conditions. Coordinating deliveries would be appreciated where possible.
