Extremely reluctant sale due to seasonal conditions. Whole herd were trucked to Holbrook for agistment. Due to lack of rain they are now for sale as feed supplies have diminished and agistment will end.

Assessor Comments	Offering on behalf of Rachel O'Keeffe - herd dispersal consisting of 35 cows and 42 weaners in their respective lots in today's sale. These cattle were residing in SW Vic and trucked to Holbrook for agistment earlier this year. Due to a late start to the season they are being offered for sale. This line represents 7 cows of Banquet Angus blood and PTIC to JAD Snickers (S51). 3 head have calves at foot with 1 cow springing (a delayed delivery will be implemented if required) They are due to finish calving by the 10/08. 4 head are rising 5 years old and 3 rising 3 years (daughters of the 5 year olds). They are in the prime of their life, large framed types exhibiting quality features. They are quiet to handle and doing a great job on their calves offering ample milk. Coordinating deliveries would be appreciated where possible.
