	These heifers were an absolute pleasure to handle and would suit any level of operator		
Assessor Comments	On foot , Vehicles		
Assessor	A/c IA & J Coughlan of Eurimbla Shorthorns offer 10 PTIC Pure Shorthorn Stud Heifers. These females are 2 years of age & PTIC to a LBW stud Shorthorn bull Royalla Abel S012. These heifers are to commence calving the 22nd of October, please note that these heifers were PTIC to have joined up in their first cycle. Please note all heifers joined to this bull last year all calved unassisted. Heifers are vendor bred, predominantly large frame relative to their age and present in forward store condition. These females carry leading edge genetics from very well-known bloodlines throughout the Shorthorn society including Eurimbla and Spry's Shorthorns, heifers have also all been bred from stud Eurimbla Shorthorn females. They have been an absolute pleasure to handle & would complement any breeding operation. These females show plenty of maturity and feminine traits.
