Assessor Comments	Vendor bred Weaned Angus & Angus cross weaner heifers that are keenly sought by repeat buyers. Heifers weighed 177kg to 251kg to average 211.3kg following a 18 hour dry curfew. These weaners were good to handle during assessment and drafting, normally worked with dogs from a vehicle. These heifers were weaned in March 2024 and fended for themselves up until assessment. Sister & Brother lines in the same sale. All the hard work is done with these heifers and can only grow on.
