Cattle were very good to handle in the yards. A few stirred up on weighing platform, but settled once back together.

Assessor Comments A very good line of EU Accredited Charolais X steers, all sired by Violet Hills Charolais Bulls. These steers present in fresh forward condition, well grown for their age and have been yard weaned 7 weeks ago. Quiet temperament and soft in the coat, these steers have been well handled. Ideally would suit any backgrounding operation, or to fatten on crop for the supermarket trade. Majority 230 - 280kgs at assessment.
