Assessor Comments	Very good line of 9-13 month old vendor bred Angus weaners steers presenting in forward condition. Steers are bred out of first calver heifers purchased from central and southern tableland weaner sales and sired by Stud Temania and Bongongo bulls. This sale represents the Top of the vendors 2023 drop calves with no expense spared on genetics on the way in. These steers will grow out to fit any Angus feeder grid, domestic or export kill. Please note odd blue eye observed in mob vendor has heifer portion in same sale
